

KAWARAZU COAST(1998.3.7)
seen from Touyo Resort
Village

Note in the center of the
coast

sand layer is higher
in the left side of the
bank

than in the right side

The Coast of KAWARAZU
(1998.3.7) seen
from the Touyo Resort Village
This Coast once being a long
seashore
full of living shells and
Kabutogani survivals since
the
Beginning of Earth

Far View of Man-made Land
(1998.3.7)
where some factories began to
work recently also seen from
Touyo Resort Village
